

United States Senate

WASHINGTON, DC 20510

May 31, 2024

The White House has made a mockery of the rule of law and fundamentally altered our politics in un-American ways. As a Senate Republican conference, we are unwilling to aid and abet this White House in its project to tear this country apart. To that end, we will not 1) allow any increase to non-security related funding for this administration, or any appropriations bill which funds partisan lawfare; 2) vote to confirm this administration's political and judicial appointees; and 3) allow expedited consideration and passage of Democrat legislation or authorities that are not directly relevant to the safety of the American people.

Sincerely,

Senator Michael S. Lee

Senator JD Vance

Senator Tommy Tuberville

Senator Eric Schmitt

Senator Marsha Blackburn

Senator Rick Scott

Senator Roger Marshall

Senator Marco Rubio
